Intermediate (Working)

PAK MENGHIENG

Full-Stack Web Developer Intern

PROFESSIONAL SUMMARY

Award-winning **Full-Stack Web Developer Intern** and Computer Science student at Asia Europe University. Silver Award winner at the **World Vocational College Skills Competition (Southeast Asia Region)**. Experienced in building scalable frontend interfaces and robust RESTful APIs using **React, Next.js, Node.js, Express, and PostgreSQL**. Recognized for rapid problem-solving, clean code architecture, and high performance under tight deadlines.

HONORS & AWARDS

Silver Award Winner — World Vocational College Skills Competition Southeast Asia Region | 2025

Recognized regionally for technical excellence, algorithm optimization, and constructing responsive web applications under strict time constraints.

KEY PROJECTS

Sbay Sdab — YouTube Media Streaming Platform

Next.js • Tailwind CSS • PostgreSQL • REST APIs • Render [\[Live Demo\]](#)

- Built a full-stack media platform enabling users to stream and download video/audio content via URL processing.
- Designed PostgreSQL database schemas for authentication, dynamic playlists, custom dropdowns, and streaming history.
- Implemented a modern UI using Next.js and Tailwind CSS with glassmorphism visual styling and responsive navigation.

Sbay — Social Networking Platform

Next.js • Tailwind CSS • PostgreSQL • REST APIs • Render [\[Live Demo\]](#)

- Developed a full-stack social networking platform featuring user feeds, multimedia story updates, real-time post creation, and friend management.
- Structured relational database schemas in PostgreSQL to handle activity feeds, user profile data, and complex social interactions.

Interactive & Static E-Commerce Solutions

React.js • Next.js • Tailwind CSS • Framer Motion • GSAP [\[React Demo\]](#) [\[Vanilla Demo\]](#)

- Architected high-performance web applications using Next.js Static Site Generation (SSG) for optimal page speed.
- Designed interactive UI modules including dynamic product filtering tabs, count-down timers, and fluid GSAP animations.

EDUCATION

Bachelor of Computer Science

Asia Europe University, Phnom Penh | 2024 – Present

High School Diploma

Prek Sleng High School, Kandal | 2021 – 2024

PROFESSIONAL TRAINING

- **Full Stack Web Development** — Master IT (2025)
- **English Language Program** — Asia Europe Organization (2024)
- **Computer Fundamentals & English** — Ampov Prey Community School (2020)
